Great dont be poor. Hi I got this awhile back, was a bit wobbly at first but I'm used to it now. I like the ability to go pretty much where i like, fish from the kayak, or the shore, or land the kayak. then fish I would recommend this, i got on promo when first released, adds a new twist to things and although not perfect it's pretty good. Don't forget if you buy this DLC, the kayaks will be in your home storage, you must go home and put in your backpack, well. under your paper doll in your inventory, this will replace the for rent kayak on the available maps. I hope to see more maps unlocked for this, more chilling out fishing. like all

the DLC for fishing planet, you don't need to buy anything, just be careful to earn your money at each map, stay a few days, make a profit and then travel. Youtube guides will help. Grab a DLC or 2, see what you like, i think this one is pretty good.. Mantep cuk premium akun ne karo lisensi sesasi. Great dont be poor. Kayaks not allowed here. Unlock all locations for kayaks damn it.. Hi I got this awhile back, was a bit wobbly at first but I'm used to it now.
